

Our Lady of the Angels School

Lunch Program

2017 - 2018

Dear OLA Families,

Welcome to the school lunch program. We are happy to let you know that the price of lunch will remain the same as last year at \$3.50 per day. The menu will be posted on the monthly school calendar on the school website. There is the option to pay for lunches for the entire school year at a ten percent discount. The cost of this option is \$567.00 for the entire year. If a family decides after the start of school to take advantage of this it is available up until September 30th. If interested, please send a request and the price will be calculated based on remaining school days. Your child will not need vouchers as they will be listed as paid for the year. If an everyday lunch buyer does not like a particular lunch cereal and desert is always an option. As always lunch vouchers will be available as books of ten for \$35 or any quantity at \$3.50 each.

In an effort to make lunch affordable to families with more than two children we are offering a discount on the days 3 or more children order lunch. Two vouchers can be passed in for 3 children with the names indicated for all children eating. As a reminder milk is not included with lunch but can be ordered with the form available on the school website.

As far as food allergies are concerned we do not serve any products containing peanuts or tree nuts. All other health or allergy issues are up to the parent to determine if a menu item fits their child's needs.

Lunch is ordered on a daily basis by passing in a voucher in the morning. Children can order as often works for your family. As always if your child forgets their lunch voucher or lunch they can pass in an IOU slip available from the teacher. Please let them know that we are happy to help them when they forget their lunch. We ask that they either return a lunch voucher or \$3.50 in the envelope provided at your convenience.

We look forward to another great year. Any questions we can be emailed at cozzaseven@gmail.com.
