Information Wanted

The OLA Parent Organization is working hard to make your volunteer experience the best it can be. Please take a moment to complete the very short survey attached to this email and return it to school before Friday so that over the summer the executive committee can begin to their work for the 2017-2018 school year. Thank you for your input!

Don't Wait!

There are 4 more yearbooks available for purchase. To get yours before it's too late, send your \$40.00 check made payable to Our Lady of the Angels School to Mr. Kottori.

As We Say Goodbye...

Another wonderful year comes to an end, and sadly, another chapter in the History Book of OLA School will come to an end as well. At the conclusion of this school year, we will say goodbye to two wonderful members of our staff who have given so much to our school but have now earned the opportunity in their lives to enjoy retirement.

After 19 years of dedicated service to his students, Mr. Dudley might now be found somewhere in the woods, chopping wood, enjoying the camaraderie of friends and basking in the quiet of nature. Also, after 13 years of dedicated service to all of our kiddos, Mrs. Walczak will now be enjoying her family, doing what she loves - cooking, baking, and making people around her smile.

We will forever be grateful for the gift these two have been to our school. Please join us in wishing them well in their retirements.

OLA School will also be sending prayers and best wishes to our beloved Ms. Murphrey as she will leave teaching to begin a new career.

Summer Reading/ Math Assignments

Students will (or have already) bring home summer reading/math assignments and supply lists for the next school year. These lists will also be posted on our website after the last day of school. Enjoy vacation but stay sharp!! Practice spelling and math facts, read great books, and remember... learn a lot - there is a lot to learn!!

Terra Nova Test Scores

The diocese is still currently waiting to receive the results of our March testing. If your child's test scores are not mailed with the 4th quarter report card, it means we have not yet received them. When more information becomes available, it will be shared with you for your information regarding these results.

Last Day Reminders

It has indeed been a great year. Thank you for your support of our programs. We look forward to seeing most of you in the fall, as well as welcoming many new families to our school. The last day of the 2016-2017 school year is this Friday, June 16th. We will dismiss at 11:00 a.m. There is no after school program. Students may come to school in dress down clothes in order to help teachers clean and prepare their classrooms for summer break.
