

Field Day - Friday, June 8th

Mr. Carroll has planned some great activities for our students to cap the year. Students should all wear their gym uniform to school on Friday, and please send your child in with a LABELED water bottle.

Band/Piano Concert

Tomorrow we will celebrate with our student musicians as they perform one final concert for the 2017-2018 school year. All band students should wear black on the bottom and white on the top. Piano students should dress UP. This is both for the morning concert (for the school assembly) as well as the evening concert, which will be at 6:00 p.m. in the school hall. Band students please gather in the 6th grade classroom, piano students please gather in the auditorium near the flag.

Lunch Program News

The lunch program staff would like to thank our wonderful families for a great year. As it is the end of the year, IOU slips will NO LONGER BE ACCEPTED. Any children with outstanding IOU's were given an envelope this week to return payment or vouchers. Thank you for your prompt attention to these IOU's, so that we can successfully close our books for the 2017-2018 school year.
