

Help Needed!!

Tomorrow the Parent Organization will be providing lunch for the teachers and staff of OLA to show appreciation for the hard work they do every day for their students. There are still classrooms that need coverage so that all teachers can join together for a relaxed lunch break - something teachers rarely get!! PLEASE - if you are CORI'd and available - would you please consider coming to lend a hand? Contact Mrs. Lyon at steptread@hotmail.com if you are available to help.

Ascension Thursday

Tomorrow morning the school will attend the 9:00 Mass for Ascension Thursday. We will celebrate with our students who have recently received their first Holy Communion.

Reminder

Monday, May 14th will be a no school day for students as teachers will be participating in a professional development day.

A Fun Friday for Teacher Appreciation Week

Each year Mrs. Albert chooses a theme for teacher appreciation week so that her teachers can know how much their hard work and dedication to the mission is appreciated, with a fun sort of twist. This year is a pirate theme. On Friday, the students will have an opportunity to cheer for their teachers at a fantastically fun, pirate'y event in the school hall. Students are invited to wear **black, red, and white, or if you're feeling creative, can come to school dressed as a pirate.** The parent organization has generously volunteered to supply eye patches, head bands, etc... to help with the mission of creating the mateys for the pirate teachers. This out of uniform day is, of course, optional. Just a fun way to make the end of teacher appreciation week exciting for the world's greatest faculty and staff.
