

Lifetouch Spring Class Pictures

On Thursday, March 28th, Lifetouch will be here to photograph classes. Students must be in complete winter uniform on this day. (*We switched our monthly jeans day to tomorrow instead of the last Thursday of the month for this reason.*) Envelopes to order class pictures will be sent home on Monday of next week.

NED'S Kindness Adventure

As many of you know, NED and Kosmo were here at OLA to spread a message of kindness. The children seemed to really enjoy this show! The NED show is a "pay it forward" program. What that means is the school did not pay to have the performance here. Instead, we agree to sell items hand made in Kenya to support the next school's show, and so on. A portion of the money collected will also be sent directly to Kenya to support clean water wells. There is absolutely no minimum that we must sell, and absolutely no obligation to purchase any of the items, however, the kids are really excited about the cool things available, and every time they wear whatever they purchase they should remember NED's message of kindness! Items will be for sale for the remainder of this week and range in price from \$8.00 - \$15.00.
