

If You Don't Read Anything Else, READ THIS!

I can't stress enough how important it is for ALL of us to work together to keep our kiddos safe. We have had one too many "near miss" situations as a result of folks not following our arrival policies so I am once again, going to remind everyone that ***cars are NOT ALLOWED to drive up any part of the driveway off of Holland Rd. up to the chain.*** There is a teacher on duty at the bottom of the hill to ensure that no cars drive up, however that teacher has to come in at 7:50 for his or her classes to begin. Even when the teacher is gone, cars are NOT ALLOWED to play Russian Roulette with the students that are still walking up the hill to come to school.

A child is going to get hit by a car. Are you the parent who wants to be responsible for that? Do you want to make the phone call to someone's Mother and Father to tell them that their child is on the way to the hospital in an ambulance because you hit her? Please, I implore you, for the safety of our students, don't be that parent.

A Message from the Parent Organization

Hi everyone, It's Teacher Appreciation Week and many fun things are happening at the school to show our appreciation of our great teachers. The PTO provided a breakfast for the teachers Monday morning and will be providing a luncheon on Thursday 5/9 as well. We could really use a few more volunteers - especially parents of kids in grades 5 and up. If you can help even if not for the entire time it would be greatly appreciated. Here is the link to the sign up genius: <https://www.signupgenius.com/go/20f054aa4a72ea0fe3-olateacher>

Also please join us Wed 5/8 at 6p at the school for what we anticipate is our final meeting for the year. Lots to discuss and determine so we can move forward effectively!
Hope to see you at both events :)

Stephanie Burns Stephanie Lyon

And the Princesses Danced....

Thank you to Mrs. Roy and all of the volunteers who made this year's Father Daughter Dance memorable and fun!
