Over 20 years experience, preschool faculty/staff in Early Childhood Education.

Our Lady of the Angels School will prepare students to become independent thinkers who base their actions upon the religious foundations of Jesus Christ. They will continue to be nurtured and grow through their daily interactions and peers, school personnel, parents and community. Every child will be recognized as an individual and a contributing member of a community that embraces, with respect and acceptance, the cultural, social and educational differences of its members. The students will recognize their role as responsible participants in an environment that promotes compassion and service for all God's children through outreach projects.

Location off Route 9, Main St. toward Leicester: 1220 Main Street, Worcester, MA. Telephone: 508-752-5609. Website: ourladyoftheangels.us
