

Meet the Teacher Updated Forum

As we are doing everything we can to keep our student body, faculty, staff and school community safe and healthy, and as a part of our in-person reopening plan, we are not allowing visitors into the school building at this time. The teachers will instead be emailing families information on when they will hold their virtual Meet the Teacher night. This may look like a Google Meet or a link to a video, etc... but the goal is for parents to have an opportunity to meet their children's teachers and see their classrooms. Although things look different for now, we appreciate the continued support and understanding of our efforts to keep the kiddos in school.

Boxtops for Education

Please support Our Lady of the Angels School with Boxtops for Education! Each boxtop is worth \$.10 and that can add up fast, especially if we all join forces and scan those receipts!! It's never been easier to be a Boxtop supporter for OLA School. Simply download the Boxtops for Education App, add Our Lady of the Angels School as your funds recipient, then scan your receipts. The app will tell you how much you've earned for OLA automatically!! If you don't want to download an app to your device, you can also send in your receipts and we'll scan them here. Thank you for your anticipated support through the Boxtops program!

Birthday Bonus

When it is your child's birthday, he or she can come to school out of uniform. If the birthday falls on a weekend day, pick Friday or Monday to celebrate with the free out of uniform day.

Opening Mass

Unfortunately due to space limitations we were unable to have our opening Mass for the 2020-2021 school year. Under normal circumstances, all families would be invited to join us to bless our beginning together. This year, Father Monroe will instead say Mass for the 3rd - 8th graders on Monday, September 14th and invite the Kindergarten, first and second grades to church for a

prayer service. Although we can't invite our families to join us physically, we would love for you to join us prayerfully during the morning as we ask God to bless us this year.

A Team Effort that Makes a Difference!

Thank you, parents, for keeping your sick children at home and for supporting our efforts to keep our school open for in person learning. We are off to a great start and hope to continue to give our students the top-notch, Catholic School education they deserve here at 1220 Main Street!
