

A Friendly Reminder

Keep your child home if he or she is sick. If he or she is experiencing cold/flu like symptoms, please get a covid test. The last thing any of us want is to have to learn/teach remotely due to the wrong type of "sharing!" It is everyone's responsibility to keep our school healthy and safe!

Fun, Fall, Family!

Are you looking for a great way to spend a weekend day with your family? Bemis Farms is once again sponsoring their "Make a Scarecrow, Make a Difference" family days this fall. Your ticket will get you everything you need to create an awesome scarecrow in a pot, complete with a mum, fall grass, and a gourd, too! Your ticket will also get you to the Pumpkin Path where pumpkins grow on trees and kids, young and old, play farm themed games! The complete details are in the flyer attached to this email.

Early Learning STEM Classes

STEM Beginnings will be offering after school STEM classes for students in grades K-2. Session I classes will be held on Tuesdays from 2:30 - 3:30 beginning Tuesday, September 28th thru Tuesday, November 2nd. An informational flyer with information on how to register your student is attached to this email.

Circle of Grace K - 8 Safe Environment Program

Out of concern for all God's people and in response to the USCCB's Charter for the Protection of Children and Young People, Our Lady of the Angels School will be using a new safe environment curriculum given to us from the diocesan Office of Healing and Prevention called Circle of Grace. This program is meant to supplement and be integrated into the excellent programs and curricula for the formation of children and young people in schools and religious education programs. Circle of Grace aims to equip our children and young people by arming them with essential knowledge and skills grounded in the richness of our faith. This program helps children and young people to understand their own (and other's) dignity in mind, body, and spirit.

The entire program is available in the school office for you to view. Please reach out to Mrs. Albert if you would like to come in to see the program.
