

Happy Fall!

With the fall comes cooler weather and with cooler weather comes our regular school uniform. Beginning Friday, Oct. 1st, shorts and polo shirts are no longer allowed. The complete school uniform can be found in the student/parent handbook found in your child's planner, or on our website, www.ourladyoftheangels.us.

Jeans Days

We have a scheduled out of uniform day on the last Thursday of every month when students can come to school out of uniform for \$1.00. Our first monthly jeans day is tomorrow, September 30th. The funds collected throughout the year from these monthly jeans days go into our 8th grade account to help with their end of year expenses. It is not mandatory that your student come out of uniform. If your student does come out of uniform, please be sure they are in compliance with our out of uniform day expectations, found in the uniform section of our handbook.

Bay State Bank Partnership

Earlier this year you should have received a folder from Bay State with with information about their passbook savings for kids. Bay State representatives will be coming to OLA School once a month beginning October 6th and will be providing our students in grades k-8 lessons in financial literacy. If you chose to open a passbook savings account for your child, the representatives will collect deposits, bring them to the bank to complete the transaction and return the passbooks the next day. If you would like more information about our partnership with Bay State Bank, please contact Nancy Dano, our school banking coordinator, at ndano@baystatesavings.com.
