

Meet the Teacher Night

We hope to see you tonight! You are welcomed to visit your child's classroom any time between 6:00 and 7:30 p.m. This is an opportunity for you to say hello to your child's teacher, check out their classroom, and look through the books your child will be using this year. Masks will be required for all visitors attending.

Let Us Never Forget

This Friday, to honor and remember those who lost their lives as a result of the events of 9/11, and to show our never ending support to our active military, police, and fire fighters who selflessly put others safety before their own, students are invited to wear red, white, and blue for a free will donation. All money collected will be donated to the WPD and the WFD equally. During this day, we will put an added, extra, focus on kindness and ask our students to be the reason someone smiles.

School Safety

During the first weeks of school, classes will practice fire drills, evacuation drills, and barricading drills. We will periodically have whole school drills throughout the year as well. If your child comes home and wants to talk about what they are practicing, I encourage you to listen and talk openly about why it is important to always be prepared for emergency situations.

OLA PTO Meeting

The first meeting of the OLA PTO is scheduled for next Wednesday, September 15th at 6:00. We will continue to meet virtually and look forward to seeing many faces, both new and OLA veterans! The link to join the meeting will be sent out in next Wednesday's newsletter.
