

Intramural Basketball

We are REALLY hoping to bring back basketball for grades 2-4. Our instructional program teams practice once a week and pair off in friendly competition on Saturday mornings. If your son or daughter is interested in playing, please complete and return the attached permission slip no later than this Friday so we know if we have enough student athletes to run the program. Also, we are still in need of two coaches and a referee for the games. Please reach out if you are able to share your talents with our students.

OLA Booster Dance a Thon Fundraiser

We're off to a GREAT START! Thank you, OLA Community, for your continued support! We're really hoping to reach our \$35,000 goal this year to put some permanent playground structures and artificial turf in the pen for the kiddos. You CAN help! Have you registered your child at mybooster.com? Once you've done that you can create a video to share on your social media to help us reach our goal!! Or, do you know anyone who owns a business that you could reach out to for a donation? Our business sponsors make a HUGE difference!! Does your company do matching grants for non-profits? These are just some simple things we can all do to make that giant Pledge-O-Meter move up, up, up, and away!

Our 2nd grade class won the McDonald's lunch challenge - way to go Grade 2! Tonight's challenge - the classroom that gets the most new pledges wins CRAZY HAIR DAY!!!

Thank you, again, for helping us reach our goal!

ASP/BSP Pre-registration

The form for the week of 1/24 - 1/28 is attached. Please return to Mr. Kottori at john.kottori@worcesterdiocesek12.org by Friday, 1/21.

Warm Weather Uniforms
